

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

WORKSHOP On "How to Write a Research Paper"

(APRIL 20, 2022)

A workshop was organized by Prof. (Dr) Seema Verma as resource person on the topic 'How to Write a Research Paper' on April 20, 2022 at Delhi Technical Campus, Greater Noida. This workshop was for the students who requested for advice on how to write a research paper (mainly students of B.Tech CSE 3<sup>rd</sup> year and BCA 2<sup>nd</sup> year). She started with the basic idea of working with Research and Innovative minds. She gave an introduction of the research and went on with explaining about each and every concept mandatory for writing a research paper. Dr Seema included the facts related to literature survey, method sectioning and proceeded with incorporating the importance of pictorial representation in a research paper. She asked students to focus on writing abstract, results and conclusion with utmost care. She explained how proper writing of references and citations are important to the quality paper. She explained each aspect of 'before', 'during' and 'after' writing the research paper.

Later on, she briefed about various templates for writing research papers (IEEE conference template in detail) and also included the importance of writing the scientific document using 'LaTex'. Dr. Seema presented two case studies of research papers: Review Paper and Research Article. Finally, she motivated students for quality research and stressed on productive teamwork to have good results.

Students found this workshop interesting and knowledgeable. Students got to know a lot about how to start their journey on writing their first research paper. They also got to know the idea about publishing, patenting and copyrighting.

Few glimpses of the workshop are attached herewith...

Happy Learning!!
