Solar Chimney: Advantages

Presentation of his research

On behalf of the Research Cell, Delhi Technical Campus, Greater Noida, an invited research talk on “The Solar Chimney : A Benefits on Society” was conducted. The event was scheduled for 3rd June, 2022 from 11 am in virtual mode. The talk was delivered by **Dr. Mohd Zaheen Khan**, Associate Professor, Institute of Engineering and Technology, Lucknow.

The event was an hourly program being curated by Department of Mechanical and Automation Engg with an audience of above 50 participants, made up of Egg graduates (Mechanical and Civil) and faculty members. The main goal was to build awareness of the renewable energy resources in Indian context.

The discussion on Solar Chimney will be a great addition to our event. The sharing of knowledge facilitated the students and research group with further congregation of the real needs of Energy Technologies.
