Details of the sponsoring body

1. A Detailed Project Report (DPR) containing its fifteen year detailed Strategic Vision Plan and a five year rolling implementation plan viz. Academic Plan, Faculty Recruitment Plan, Students Admission Plan, Research Plan, Networking Plan, Infrastructure development Plan, Finance Plan, Administrative Plan, Governance Plan, etc, with clear annual milestones and action plans on how the new Institution Deemed to be University is to be set up, with identifiable outputs and outcomes :

The Beacon Proposed Deemed to be University project, as outlined in the Detailed Project Report (DPR), focuses on creating a unique educational institution grounded in Indian Knowledge Systems (IKS) and integrated with modern academic disciplines.

Overview

- **Sponsoring Body:** The university is supported by the **Sunshine Educational & Development Society**, which has been instrumental in promoting quality education through various institutions.
- **Vision & Mission:** The vision is to create a global learning hub, focused on solving complex societal problems through ethically driven education embedded in **IKS**, while promoting sustainable development.

Schools and Programs

The proposed university includes the following key schools:

1. **School of Indian Knowledge Systems (IKS):** Focuses on traditional Indian disciplines such as Vedic Sciences, Yogasutra, and Vastu Vidya, blending them with modern education.
2. **School of Sustainability & Environment:** Offers programs addressing climate change, environmental policy, and renewable energy to foster future leaders in environmental governance.
3. **School of Technology & Governance:** Addresses modern challenges in technology governance, data privacy, AI ethics, and cybersecurity.
4. **School of Positive Psychology & Wellness:** Aims to promote mental health and well-being, integrating psychology and social sciences.
5. **School of Emerging Laws:** Covers legal fields such as cyber law, blockchain law, and environmental law, preparing students for modern legal challenges.

Unique Features

- **Distinct Category:** The university qualifies under the **Distinct Category** due to its emphasis on integrating **Indian Knowledge Systems (IKS)** with modern education and addressing strategic national needs like technology governance and sustainability.
- **Focus on Sustainability:** The school's programs are aligned with national objectives, including **India's Viksit Bharat 2047 vision**, which aims for sustainable development and global leadership by 2047.
- **Fifteen-Year Strategic Vision Plan:** The university is structured to grow in three phases, focusing on academic and research excellence, societal development, and global impact over 15 years.

Graduates from these programs are prepared for roles such as:

- Environmental lawyers, cybersecurity experts, FinTech legal advisors, and specialists in AI governance.
- Leadership positions in sustainability, public policy, and technology governance.

The Beacon Proposed Deemed-to-be University aims to create a unique academic institution that blends Indian Knowledge Systems with modern disciplines, ensuring its graduates are well-equipped to address both traditional and contemporary global challenges.
